

RESIDENTIAL ASBESTOS DROP-OFF DECLARATION

This free disposal of asbestos service is only available to residential customers up to 165kg, after this asbestos will be charged the asbestos rate. The free drop off does not apply to commercial operators in any capacity. This service operates from Tamala Park and is available every Sunday. Customers should in the first instance make contact with Weighbridge staff once on site for further guidance and direction.

- Please present this completed form along with a copy of your driver's license to Weighbridge staff upon arrival to site.
- Prior to departing your home please take a moment to familiarize yourself with the requirements for the safe wrapping of Asbestos Containing Material (ACM) that can be found on our website (www.mrc.wa.gov.au) or via the Department of Environmental Regulation (www.der.wa.gov.au).
- Customers must ensure that loads are packaged in such a manner to enable safe unloading by hand at MRC without the need for assistance from MRC staff. Where possible asbestos loads should be delivered to site as isolated loads and not mixed with other waste to minimize handling on site and enable appropriate charging.
