

Mindarie Regional Council

Elected Member continuing professional development

In accordance with Council Policy CP17 and to comply with the requirements of the Act, the MRCs website provides a [link](#) to each member councils' website where compliance with the policy, training and reporting requirements in respect of each of the MRC's respective councillors is evidenced.

In addition, the MRC requires Councillors, within 3 months of their appointment onto the MRC, to take part in a tour of MRC facilities and to complete the next WASTE 101 training course delivered by WALGA.
